**Increase your chances by forming a syndicate.**

**1 in 4 jackpots are won by syndicates.**

Forming syndicates with workmates, friends or family can be a more exciting way of playing the lottery and gives you a better chance of winning.

**Follow these simple steps to form your own syndicate.**

1 – Select your team. Call family, friends, workmates. The more people you get, the more lines you play, the more chances you'll have.

2 – Decide which lottery you will play and for how many draws.

3 – Decide your numbers. What about your team members 'lucky' numbers? or special dates?

4 – Try to arrange to collect all the money on the same day. Make a note of who has paid.

5 – Make a syndicate agreement and get it witnessed. It may seem official but it could prove worthwhile in the event of a large win.

**REMEMBER – keep everyone involved and motivated. Good luck!**

## **Syndicate agreement**

The Syndicate agreement should contain the following:-

Syndicate name  
managers name and signature  
start date  
end date

also:-

players name    contributions    share of winnings    signature and date

We would advise that you keep a record of :  
which games you are playing  
the dates of the draws you are entering / have entered  
when payment is collected  
what happens if someone fails to pay
